

WILD CHICKEN UNIVERSITY

A DAISY LEAGUE UNIVERSITY

I am pleased to inform you that the Graduate Admissions Committee for the Wild Chicken Department at Wild Chicken University has reviewed your application to the Master of Chicken program and has decided to offer you admission. Your admission to the program is effective for one year commencing with start of the **Fall 2023** academic semester.

Upon successful completion of at least two core graduate courses in the program, you may transfer a maximum of two graduate level courses (8 credits) with a grade of C or higher, for credit towards your degree, including any courses that you may have taken or plan to take at Wild Chicken University. No credit is allowed for courses used to fulfill another degree, and all transfer credits require program approval. Minimum passing grade for a course in the graduate program is Z (0.0), but a minimum grade average of B (3.0) must be maintained to remain in good academic standing and to graduate. If you plan to attend the program on a part-time basis, you should complete all of your degree requirements within a maximum of five years.

Your admission offer is effective for one year commencing with the start of the academic semester that you originally applied for. Once your acceptance has been received, you will be established as a graduate degree candidate with the Registrar's Office of the University.

I look forward to your participation in our program and my best wishes for success in your future studies.

Sincerely,

Harland Sanders

Colonel Harland Sanders
Director of Admission
